IN THE US FEDERAL COURT
DIVISION OF ATLANTA

JAMES N. HATTEN, Clerk
By: *[Signature]* Deputy Clerk

Plaintiff: Blondine Swain

Case Number:

Versus

Defendant: The University of Phoenix

1 10-MI-0031

I, Blondine Swain, plaintiff complain against the defendant as, The University of Phoenix in Phoenix, Arizona wherein by facts and laws that the educational loans were not returned to Federal Educational Providers as requested in a written exit interview whereas I could not continue and would not continue my college courses in Georgia as on line college credits to complete my Bachelor degree following four (4) classes taken at five week intervals from October 2008 to March 2009.

Plaintiff contends that written request to Phoenix University to produce undersigned bona fide signature was not answered; plaintiff suspicious of Federal fraud since receiving request for payment on the said amounts of unsubsidized Federal Stafford loan #0058031600 to paid to Great Lakes Educational Loan Services of \$2,083.07 or to make payments to Department of Education, P. O. Box 530229, Atlanta, Georgia 30353-0229 or pay to: mygreatlakes.org.

Moreover, University of Phoenix requested that plaintiff make payments of \$50 each month to satisfy \$1305; however no description given for plaintiff to determine by facts and laws governing the loans were sold to collection companies without my signature, since I am a silent contractor in this instance.

Plaintiff complain of slander to my credit; Fair Debt Collection violation for whosoever may be liable to reimburse the Federal Educational Provider; defamation of character for failure wherein Phoenix University withheld closures; ledgering account for plaintiff's unnecessary punitive sufferings and unreasonable pay demand of \$3,388.07, including filing fee \$350, certified mail and pre-paid postage with signature receipt of recipient at University Phoenix.

Plaintiff, contend that as addressing the University of Phoenix using a format entitled, Affidavit of Truth whereas, the second Affidavit of Default was not mailed resulting from research for the proper Court to file complaint is Federal and not County, Superior or Magistrate Court.
